

A01 - lagoon® Pre-treatment

Universal mild pre-brushing agent

Part numbers

432731091 (2 x 5L)

Package

5L

Description

Universal mild pre-brushing agent for use in professional wet cleaning.

Application

Can be applied as pre-treatment on any type of fibers. Dirty textiles with oil and fat stains are pre-brushed or sprayed. In case of stubborn stains, the application of undiluted A01 - lagoon® Pre-treatment is recommended. Effective on greasy and protein based stains.

Instructions for use

Concentrated solution; Dilute in water 1:1. For stubborn stains, apply product undiluted.

Use a soft brush to rub gently the product on stained area like collar and cuffs.

Allow approximately 10 minutes for the formulation to react, then perform wet cleaning using the lagoon® process.

Note

For textiles with particularly rich dyes, for intensively contrasting colours, and when suspecting low wet fastness, test the colourfastness before spotting.

Physico-chemical properties

Density: 1.02 g/ ml

pH: 7.0 - 8.0

Storage

Storage conditions: Keep only in original container. Store tightly closed in a dry and cool place.

Store above 0°C (32°F). Shelf life of minimum 24 month in sealed container.

Safety

GHS09

Corrosive
